

4 chambre Maison de Ville à vendre dans De Cala Llonga, Ibiza

1.790.000€

This townhouse, which is currently being renovated, offers spectacular sea and mountain views and has a total of four bedrooms and four bathrooms, three of each in the main house and one in the annex.

In terms of layout, on the ground floor you will find two bedrooms with two bathrooms, a kitchen, a living room and a spacious terrace with sea views. While upstairs you will find the master suite, which features a large bathroom, a bedroom with sea views, a dressing room and a private terrace with sea views.

With these additional features, this townhouse becomes a home of luxury and comfort for the whole family. The beautifully maintained garden has space to park several cars.

Furthermore, it offers a lovely spacious communal swimming pool with a restaurant.

The house is being renovated with attention to every detail, making it an ideal choice for families. Situated in a cul-de-sac, in a quiet and peaceful area, it offers a noise-free environment.
