325.000€

We are very proud to present this immaculate villa on the sought after La Finca Golf Resort. The villa is located inside of a secure gated community with off road parking. The current owners have upgraded the villa with luxury fixtures and we can highly recommend a viewing.

You enter the garden gate into a long driveway with space for three cars. At the far end of the drive is a covered, gated area which is used as a utility area and for storage. The space could be enclosed to create an extra guest accommodation. The low maintenance garden has been beautifully landscaped with different seating areas and a pool with a waterfall feature. This is the perfect space for relaxing, alfresco dining or entertaining. There is a convenient outdoor kitchen and the outdoor furniture is to be included in the sale.

Moving inside of the property there is a beautiful lounge diner with large windows overlooking the pool and garden. There are French doors giving access to the pool area from the lounge. The feature, living flame gas fire is very nice for cosy winter evenings and is a great focal point.

The kitchen has been totally modernised and has integrated appliances. There is an arched alcove with a washing machine and very useful space for storing cleaning equipment.

On the ground level there are two double bedrooms with built in wardrobes and a large family bathroom with a bathtub.

Upstairs you will find the master bedroom with en-suite shower room. From the bedroom there are doors leading to a large terrace where you can enjoy the extended views of the surrounding area and mountains. There is also a door at
