

3 chambre Appartement à vendre dans Jacarilla, Alicante

109.995€

We are happy to present this well presented apartment in Jacarilla.

The property has a large entrance hall with a storage cupboard. There is a separate kitchen and convenient utility room.

The large lounge diner has patio doors leading to a good sized balcony. The views are very nice from here. There are 3 large double bedrooms, all with built in wardrobes. The master bedroom has doors leading to the balcony and an en-suite shower room.

On the roof of the complex there is a large communal area on 3 levels with a pool and the views from this area are breath taking!

The property is located in Jacarilla, a typical Spanish village with all amenities within walking distance. A weekly street market every Friday for local produce, bakeries, supermarket, tapas bars and the hidden Cave Bar/Tea room, La Cueva. There are marked walking routes taking you through the beautiful orange groves where you can find old cave houses, plenty of wildlife and stunning river walks or cycling opportunities along the banks of the river Segura which will take you to neighbouring villages or to the beaches of Guardamar.

Good rental incomes could be achieved if you are looking for good return on investment.

This is a must see property and we highly recommend a viewing.
