

2 chambre Maison de Ville à vendre dans Cadiar, Granada

60.000€

REDUCED

This 2 double bedroom property has many original features including beams throughout and a lovely feature in the hallway, as you enter you see a lovely cobbled pebble floor which also has part of an old mill that was originally used for making flour, also a little area for storing wood.

To the left takes you to a double bedroom with beams above, there is an alcove with shelves for your clothes etc. To the right takes you to a room that holds the boiler and gas bottles, washing machine and cleaning equipment etc,

This then leads through to the spacious bathroom with a bath and corner shower cubicle.

From the main hallway the stairs take you to the first floor which is the living area which has a purpose built dining space with arches leading out to the lounge, the kitchen is a typical Andalusian style kitchen.

To the left of the staircase takes you through to another double bedroom with a dressing area.

There is another small hallway with cast iron stairs taking you up to a lovely sunny seating/office area leading out onto the large roof terrace.

There is also a small almacen/storage room.

If you don't know this area well, why not take a look at our exposure guide on the Alpujarras in the Area Guide section above (next to Overview).
