

3 chambre Maison de Ville à vendre dans Fuengirola, Málaga

645.000€

This new project consists of only 11 impressive new homes, located in Fuengirola.

These incredible houses are distributed over 4 floors and offer 3 bedrooms, 2.5 bathrooms, a large basement, private parking, garden and solarium, with multiple terraces from which to enjoy the stunning sea views.

The double-height living room extends to the generous terrace and garden. There is a magical floating staircase that guides you through the floors of this home and creates a feeling of openness, accented with natural wood. The fully equipped designer kitchen blends seamlessly with the living room in an open plan style.

The additional basement level is a space for you. It could be a cinema room, a wine cellar, an office, a gym or anything else you can think of.

The upstairs master bedroom offers a stunning rooftop lounge and solarium, the place ideal for relaxing and making the most of the views of Fuengirola and the Mediterranean.

The common areas of this impressive new project include lush gardens, a salt chlorine pool with covered chill-out area, a social lounge and a gym.
