280.000€

Located close to the village of Albondon this large modern two story, five bedroom cortijo which has beautiful views of the Mediterranean Sea and the surrounding mountains. Although in a private position, the house is within walking distance of the village. Albondon has many amenities including a health centre, cafe bars, bank, summer pool and general stores etc. the village is well located only 20 minutes by car to the coast.

The 288m² property was built in 2002 and has approximately 12000m² of land, varying from sloping ploughed areas with almond, olive and fig trees to flat vegetable gardens, one adjacent to the cortijo. The area immediately surrounding the property is fully fenced, mainly concreted, with various pot plants, peach and orange trees. This large concreted area is used to collect rainwater, which is stored in a water deposit for irrigation.

Access is via a short concrete track from the road to two sets of double iron gates; it is possible to use either. One set is at first floor level, which is where the living accommodation is situated.

An arched porch leads to the main entrance, which opens to a bright reception area, from where the whole accommodation is accessed. This consists of a fitted kitchen with modern appliances and a pantry. Of the south facing rooms, the two double bedrooms have double doors to a Juliet balcony and the living room has a small balcony with ornate balustrade. All have stunning views of the sea and mountains. In the living room is a wood burner that has a hot air system, which provides heat to the rest of the property. There are two further large double bedrooms, a single bedroom and a family bathroom with corner shower cubicle, bath, vanity unit, WC and bidet.

The ground floor consists of a large tiled room with windows to two walls. This could be used as a garage or further accommodation. A fitted summer kitchen, with appliances has a door to the outside and an open fire. There is also a
