149.900€

REF 6283EX

We present to you a charming open studio exclusively that combines comfort and style. This cozy space features 1 bedroom and a spacious 14 square meter terrace, where you can enjoy pleasant views of the garden and relax outdoors.

The complex offers a refreshing communal pool, ideal for those sunny days, and a private communal parking that will provide you with the convenience you need.

Located in a quiet and well-connected area, this studio is perfect for both year-round living and enjoying getaways. Don't miss this unique opportunity!

With a consistently spring-like climate, Costa del Silencio is an ideal place to enjoy its beaches and take a dip in the crystal-clear Atlantic, as well as to take a pleasant stroll. There is a path that runs above the cliffs, connecting the main developments in the area and providing access to various coves through stairs and walkways.

The volcanic nature of its great cliff and its crystal-clear waters have endowed this place with a series of beautiful coves along the path that borders the entire cliff, where accesses and stairs have been arranged to reach the bathing areas, with a beautiful and spacious sea pool, and small sunbathing areas.

Close to all amenities such as bars, restaurants, bus stop, pharmacy,...
