

## Land Te koop in Els Poblets, Alicante

195.000€

Exclusive in Miraflores Homes. Flat urban plot in the center of Els Poblets in front of the large central park and all the amenities: school, supermarket, church, doctors, restaurants, etc. On this plot, 2 floors and an attic could be built, also semi-detached with its own pool. Construction plans are available and can be modified as needed.

Els Poblets offers an excellent infrastructure with everything necessary for daily life. Denia is just 8 km away and its wonderful promenades, boutiques and a wide variety of restaurants will also make your stay an experience. The cultural, leisure and sports offer is extensive and has something to offer for all ages. There are direct ferry connections to Mallorca and Ibiza which are definitely worth a visit. Alicante and Valencia, both large cities with their own airports, can be reached in about an hour by motorway. We recommend a visit!
