

Land Te koop in Cervera del Maestre, Castellón

75.000€

A rustic finca of 50,000m² with spectacular sea and mountain views. At present the finca has a small caseta and would be ideal for construction with the possibility of connection to the mains water supply. For energy a solar panel system is required. The land has carob, almond and fruit trees in full production.

The property situated on a very good location, a mere 5 minutes to Cervera Del Maestre, Calig or San Jordi which offer everything for daily needs. Or a 20 minute drive to the coast and beaches.
