

4 slaapkamer Villa Te koop in Denia, Alicante

3.300.000€

Every day there are fewer properties for sale on the seafront. With spectacular gardens and direct access to the beach. Spacious, luxurious, with the latest technical advances, in short, a place to live in eternal vacations, enjoying the Mediterranean Sea.

Super exclusive villa, recently renovated this year, with state-of-the-art furniture and appliances. The house is made up of 4 double bedroom suites with their own bathrooms, some with a dressing room, built-in television, automatic blinds and automatic blinds. It also has a super modern kitchen and a large dining room with all the glass facade overlooking the garden and the sea. It also has a fireplace and collectibles. Apart from all this, it also has a 95 m2 garage, its own sauna, a gym, and all kinds of games for everyone. The villa is located on the very first line of the sea, it also has stairs that go down to the beach itself, as if it were a small private beach, every corner with direct views of the sea, a large garden with grass and palm trees with an independent barbecue.
