

10 slaapkamer Villa Te koop in Cuevas del Almanzora, Almería

450.000€

Impressive farmhouse in Burjulu, a beautiful district of Cuevas Del Almanzora, with about 400 meters built divided into three houses of 210, 100 and 90 square meters, within a plot of 10,000 meters where there is a plantation of 60 olive trees and a great variety of fruit trees, all of them in production and with modern cultivation systems.

In total it has 10 bedrooms, 3 bathrooms, 3 kitchens, covered parking spaces, several warehouses and a swimming pool, making it a very special and attractive property due to its value for money.

Ideal for rural tourism, or to be able to live in the main house and rent the other two.

With good access, two kilometers from the Cartagena highway, direct access to the national highway 322. Restaurants just three kilometers away, supermarkets, pharmacies and a medical center 5 minutes by car.

It is sold partially furnished.
