

## 4 slaapkamer Landhuis Te koop in Almedinilla, Córdoba

162.000€

This is a really good property which is great as a family home or B&B. The basement is already fitted out as a possible separate apartment, ideal for renting out. This has a large sitting room and new bathroom. Just needs a kitchen and bedroom sorting. On the ground floor of the main house there are 3 bedrooms, 2 sitting rooms, bathroom and fitted kitchen. Outside, the balcony goes all the way round the house and has great views. There is a lovely garden of about 2,000 sqm - great for growing fruit and vegetables etc..The garage is large enough to take several cars. There is a river at the bottom too. The village is totally charming with fresh food deliveries every day that pass by the property! A great location for setting up a rural business.
