

4 slaapkamer Villa Te koop in San Jose de la Rabita, Jaén

124.000€

This is a really nice bungalow that is ready to live in. Its in really good order and offers 4 large bedrooms, full bathroom and nice kitchen. There is a cosy sitting room plus a utility room in the garage. There is a nice private garden of about 800 sqm so plenty of room for a pool, and you enter the front of the property via double gates off the road so very safe for animals and children. Here there is the garage too. Nice views and you are just a few mins drive to the main village of La Rabita where there are many local shops, a bank and bars, plus petrol station with a nice restaurant and a primary school. So this is perfect for a young family too.
