

## 3 slaapkamer Landhuis Te koop in Bobadilla de Alcaudete, Jaén

69.000€

This is a great property that is just ready and waiting for new owners to move in to. It has been reformed to a great standard and offers so much, including a garage and several terraces.

On the ground floor you'll find a nice sitting room, fitted kitchen and utility, plus a full bathroom. There is also access to a covered inner patio with a lovely private dining area, plus steps to the garage and terrace.

On the 1st floor there are 3 good-sized bedrooms, including the master bedroom which leads out onto a terrace. From this level you also have access to the garage and the possibility to extend and create another room. From that terrace there are steps up to a large roof terrace to take in the views of the surrounding countryside.

This would make a great family home and the furniture is also available. La Bobadilla in Jaen is a small agricultural village with a big heart. Surrounded by olive groves and lying on top of a low hill it belongs to Alcaudete from where it can be seen for miles around, a calm, sprawling white town welcoming from a distance and from within. The village has everything too including shops, bars and a bank and you are not far from a lovely lake where you can swim, sail, fish, or just relax.

This would make a great holiday home or perfect for a family to live there full time.
