

Land Te koop in Arta, Mallorca

600.000€

Large country house located on the Arta - Cañamel road, less than 1 km from the village of Arta. The farm, is a set of rustic farms of different sizes. The farm, is totally flat and has parts for agriculture and other parts is oak forest. Besides, it has a great variety of native trees of the islands. The property has an old typical sinia of Mallorca, or well of water drilled in the ground, along with an old mill with a big algabe. There is also a large house in a state of ruin. The property has its own electricity with meter and plenty of water. Much of the set of farms are protected.
