So you come down from the main entrance from the urbanisation MONTE VIÑAS, probably about 10 steps, and the house is on your left. There is a store room in the entrance and a large 60m² terrace. then you have a veranda and another terrace with window. Walk inside the house into a hallway with on your left a first bathroom with walkin shower. Then there is a open kitchen / living room with lovely grand fireplace. There is a seperate dining area (all new) that walks out to the westfacing terrace with built in barbeque. A couple of steps down another 40m² terrace and a seperate third bedroom and an outside shower (built in) Also here built in laundry area. Lovely afternoon sun and mountain views. You go upstairs through a spiral staircase. On the first floor there are 2 bedrooms that share one bathroom, this bathroom is completely reformed and one bedroom has a large terrace. Up to the top floor there is a large roof terrace of about 30m² with views all around.
