

3 slaapkamer Gezinswoning Te koop in Ciudad Quesada, Alicante

185.000€

This property is located in a family residential complex with communal areas and a large communal swimming pool. The property has two floors. On the ground floor we have a low maintenance garden, a pergola to park the car and a BBQ area. The garden floor is made of resin with an elegant pattern. This floor is very easy to clean and comfortable to walk on. On the ground floor of the property there is a bright living/dining room with access to the kitchen with ample work surface. There are also two double bedrooms and a complete bathroom with wall to wall shower. The second flat has a large and bright double bedroom with access to a large solarium with views, perfect for a morning coffee or a glass of wine at sunset accompanied by a good book. The property is located in a community with a heated swimming pool for the winter months. This property has many improvements; it has central heating throughout the house, double glazed tilt and turn windows have been installed and air conditioning. The property is ready to move into without the need for any updating work. A unique opportunity in Ciudad Quesada. Translated with DeepL.com (free version)
