

3 slaapkamer Gezinswoning Te koop in Ciudad Quesada, Alicante

179.900€

Lola townhouses are always incredibly popular and when you look at this one in Monte Azul, Benijofar, it is easy to see why. There is plenty of outside space with a low maintenance tiled front garden, spacious covered terrace as well as a rear courtyard. Internally the houses offers more living area than most villas. This one is a 3 bedroom version with a double bedroom on the ground floor as well as a spacious lounge diner, separate kitchen and understairs shower room. The first floor has a particularly large family bathroom and two good sized bedrooms, both with private terraces. It is being sold fully furnished and is in very good original condition. The community has a stunning pool area consisting of three interconnecting swimming pools and plenty of grassy areas to sit and relax. In addition, the community has a large garden area with lots of trees providing shade and a couple of petanca courts. Monte Azul is a peaceful residential area located just a 5 minute drive or a 10 minute walk from both Benijofar and Ciudad Quesada. Given the popularity of these properties and the location, it will not hang around for long, so contact us to book your viewing.
