

## 3 slaapkamer Villa Te koop in Los Alcazares, Murcia

349.000€

The Mykonos & Santorini Villas are inspired by the Greek Islands. These are very special villas where we have combined Mediterranean design with natural fiber elements to recreate the feeling of being on a tranquil island. It is a different and unique residential development in our area with slightly curved lines and a carefully designed island vibe. Los Alcázares: Next to the La Serena Golf Course in a privileged location by the Mar Menor.
