

## 3 bedroom Villa for sale in Benitachell, Alicante

815,000€

In the heart of Benitachell lies this exclusive new project consisting of 16 semi-detached villas, designed to offer the perfect balance between comfort and elegance. Each villa is spread over three floors, carefully thought out to maximize functionality and style.

The main floor becomes the core of everyday life, with a spacious living-dining room that invites natural light through its large windows. The kitchen, fully equipped with high-end appliances, is perfectly integrated into the space, ideal for enjoying moments with family or friends. Also on this level, the master bedroom becomes an oasis of privacy, with an elegant dressing room and en-suite bathroom that evokes a spa-like atmosphere. A guest toilet completes this floor. On the second floor, two double bedrooms with en-suite bathrooms offer a cozy and bright space for residents or their guests. There is also the flexibility to adapt the main living area to create a fourth bedroom if desired, adding even more versatility to the layout.

The basement is a real asset, with a large two-car garage, additional storage space and a multi-purpose room that can be converted into a gym, home theater or any other use that suits your lifestyle.

Carefully designed terraces connect the villas to the surroundings and provide a perfect corner to relax or enjoy al fresco dining, all in a privileged location that combines tranquility and convenience. More than a home, these villas in Benitachell are a place where quality of life takes on a whole new meaning.
