

2 slaapkamer Landhuis Te koop in Dolores, Alicante

135.000€

Here we are delighted to offer onto the market this south facing, corner plot bungalow within easy reach of all amenities. Incredibly spacious accommodation awaits the new owner of this delightfully modernised property originally built in 1920. To the front of the bungalow there is a large pergola covered terrace area with summer kitchen and BBQ areas, ideal for all kinds of entertaining, or just relaxing, enjoying the sun. Entering the property from here leads into the amply sized and laid out independent kitchen and dining areas, adjoining, the lounge bathroom and first bedroom. To the other side of the lounge we find the second bedroom, huge utility room and access to the garage and enormous solarium enjoying panoramic views over the Vega Baja to mountain backdrop. Although coming under the municipality of Dolores we find ourselves situated within easy walking distance of both Daya Nueva and daya Vieja. Properties like this are a rare find, so contact us now to arrange viewing of this most delightful example.
