

Land voor lange termijn huur in Villamartin, Alicante
200€ p.m

A closed garage space in the Villamartin Golf area is available for rent at 250€ per month. This secure garage provides a practical solution for parking and storage, especially suited for golf players and local residents. Having a private garage in this region not only ensures the safety of your vehicle but also offers a convenient storage space for golf equipment and other items. This straightforward amenity means you can enjoy the local golfing facilities with the added comfort of knowing your vehicle is parked safely nearby. Ideal for those seeking a no-fuss parking solution in a desirable location
