

3 slaapkamer Landhuis Te koop in Guadalest, Alicante

585.000€

Villa with large plot in natureCountry house with a large flat plot where the views merge between the Guadalest Castle and the impressive mountain views. This location in the surroundings of the center of Guadalest gives you the privacy you need to disconnect and come to rest but being in the in less than 2 minutes with the car from the center and the incredible well known Pantano. On the large flat plot you can find a lovely garden with fruit trees and a private asfalted long road to the main property. The villa is built with the best materials and the large walls offer good isolation for summer and winter. On the ground floor there is an incredible living room divided into 2 parts of total 60m2 where there is a fireplace from the year 1650. On the other side of the ground floor there is a nice library and an extra space where you can use it as office or extra room. The kitchen maintains the rustic character and is finished with thick, polished black granite that gives a nice contrast with the massive wooden doors. On the first floor there are 3 bedrooms each with its own bathroom en suite and all of them the work blade finished in granite. From the windows of the rooms you have views of the castle of Guadalest and the mountains. Outside there is a guest house with its own kitchen and bathroom separate from the main house.
