

4 slaapkamer Landhuis Te koop in La Zarza, Alicante

220.000€

We are pleased to bring to the market this lovely 4 bed 2 bath villa with pool and many original features. You enter the property via a lovely large porch with typical Spanish arches, perfect for enjoying a morning coffee or alfresco dining or relaxing in an evening with a glass of wine or a light ale. The main floor consists of three bedrooms, two bathrooms, a good-sized lounge, a kitchen with an original bread oven and a walk-in pantry; there is also a second lounge which can be used as a large entertainment area. Upstairs is where the old loft has been converted into a large room that is currently set up to be a den-style sleeping area for the grand children but can be utilised in many different ways as it can be converted into more traditional accommodation. Outside, there are lots of different areas, including a good-sized drive, 6 paddocks (with trees including olive, almonds, apple, pomegranate, figs, and much more); there is also a courtyard with outbuildings and a lovely pool area. The owners have invested heavily in the property over the last 20 years and would be an ideal property for a family or a couple who want space for their guests.
