

3 slaapkamer Landhuis Te koop in Raspay, Murcia
155.000€

We are delighted to bring to the market this stunning 3 bed corner property with pool. The property is situated in the village of Raspay just 3KM from the affluent town of Pinoso. The current owners bought this as two separate dwellings and have done an amazing renovation to bring this lovely property back to life. The first property has been fully renovated to 3 double bedrooms, 1 bathroom, a utility room, and an open plan kitchen and living area, while the second property has been removed to create a lovely patio and pool area, creating your own little paradise in Spain. The property has now had all the furniture removed, been completely redecorated, and is ready for the new owners to move in. Viewing highly recommended as we don't think this one will be available for long.
