3 slaapkamer Villa Te koop in Los Alcazares, Murcia

299.000€

This beautifully maintained three-bedroom, two-bathroom villa is a true gem, offering both style and comfort in a peaceful setting. The interior is beautifully decorated with great attention to detail, creating a warm and inviting atmosphere. Air conditioning is installed in all rooms and the lounge for year-round comfort, and the modern fitted kitchen is fully equipped and ready to use.

The outdoor spaces are just as impressive. The villa boasts a heated private swimming pool situated in the front garden, providing the perfect spot to relax and enjoy the sun. The back patio offers additional space for outdoor dining and entertaining, while the large upstairs terrace, accessible both independently and from the master bedroom, provides a private retreat with plenty of room to unwind.

Every area of the property, inside and out, has been carefully designed and well cared for, ensuring a beautiful and comfortable living environment. A private garage adds convenience, and the villa is being sold fully furnished, making it a perfect move-in-ready home.
