299.000€

This duplex penthouse is the only one of his kind in the urbanization El Albaicin de Calahonda.

This is an unusual semi-detached penthouse with direct and independant access from the street which gives you a sensation of anindependant villa but it has an apartment underneath with a seperate entrance. The large entrance leads the fully equipped kitchen with a separate laundry room, a guest bathroom with shower and a large living-dining room that could easily be updated to an open plan area as only a wall separate the kitchen from the living room.
