

6 soverom Villa til salgs i Sierra Blanca, Málaga

16.900.000€

This contemporary estate has been built in the exclusive and gated community of La Quinta de Sierra Blanca which is one of only 4 villas.

This exceptional property was built to the highest standards in an elevated position which secures the utmost privacy.

The property was planned by a renowned architect known for his prestigious contemporary design with guest bedrooms on ground floor, together with a huge fitted kitchen, adjacent dining room, large salon with a fireplace and access to the huge covered terraces for al fresco dining and superb sea views. The extensive plot features manicured gardens and a big heated swimming pool.

The master bedroom suite with extensive bath and dressing areas for his and hers are located on the first floor which enjoys magnificent sea views. The basement is distributed into a professional cinema room, SPA, Gym and wine cellar. The outstanding qualities include under-floor heating throughout, central A/C hot and cold, domotic home system, heated outdoor pool, etc.
