

## 4 soverom Villa til salgs i Altea, Alicante

650.000€

Great views but the buyer will be required to finish the villa, a project that Ultimate Homes will be delighted to assist with.

The villa is part of a small urbanisation of luxury homes, with three remaining unfinished, this one priced at 650.000 Euros, constructed on a plot of 800 sq. Meters with a build size of 403 sq. Meters and a usable interior space of 326 sq. Meters. Villa with pool, parking and the interior that YOU choose how you would like it to be finished.

What makes these interesting is that the neighbouring villas have been finished to a very high standard 850.000-1 Million Euros plus asking prices, and all sold!
