

Land til salgs i Cervera del Maestre, Castellón

48.000€

Nice terraced plot of 10.150m² located in Cervera del Maestre within 1 km to the town. Allowed to build a villa with fantastic views. The plot is situated just off side of a tarmac road making easy access. Water is available from the town via a pipeline. Mains electricity on the edge of the plot with an option to apply for the supply, but at present moment solar panels or generator would be required. A great opportunity to build your dream house close to all the amenities.
