

Land til salgs i Cervera del Maestre, Castellón

49.000€

A rustic plot to build of more than 25,000 m2 in the municipality of Cervera del Maestre.

The plot has mainly olive trees in production, some of which are considered ancient. It also has carob, oak and almond trees.

The plot is distributed in large terraces separated by exposed stone margins.

It also has good access and is oriented towards the sun.
