

3 soverom Rekkehus til salgs i Encinas Reales, Córdoba

44.000€

This property sits just off the church square in the heart of Encinas Reales, in the Cordoba province of Andalucia, Spain, within waking distance the local amenities including a supermarket, shops, several bars and the local street market. The property opens in to a typically tiled entrance hall and on to a central living room, a ground floor bedroom and fitted kitchen that gives access to a arched room currently used as a dispensa but has an old style bread oven. On the rear patio is an outside bathroom and a storage room. On the first floor a spacious landing set out as a sitting area gives access to 2 good size double bedrooms and out on to a private terrace and a second outside bathroom. This property has been closed for some time and reform is required to update the property.
