

4 soverom Villa til salgs i Es Figueral, Ibiza

3.300.000€

This newly built villa is situated just four minutes away from San Carlos, in the quiet urbanisation of Es Figueral. Halfway mountain, it has an excellent views up until Cala San Vicente.

The style of the house will be very contemporary with a big swimming pool, many sunny terraces, four bed- and bathrooms, a huge living with fireplace, high sliding doors that will lead to the swimming pool, basement, a spacious garage and a storage room.

This property is excellent for all those who seek the peace and tranquillity of the north. Around this amazing villa, there will be enough space to create a beautiful garden and an off-road parking.

The villa will be sold finished.
