

4 soverom Villa til salgs i Los Alcazares, Murcia

175.000€

This spacious villa is ideally situated close to the beach (just 1 minute walk) and in front of a spa to enjoy swimming all year round. Set in a quiet residential street, this villa is a large corner villa with plenty of space and privacy with space for a pool and many terraces. The garden space is terraced throughout with a carport at the side and a storage room with outdoor kitchen. The villa enters into a spacious living room with fireplace and window overlooking the garden, the villa is tiled throughout with neutral coloured floor tiles. The living room leads to a spacious kitchen with fitted kitchen with fridge freezer, electric hob and oven, which leads to an extended area, a further room and bathroom with wc, vanity unit and bath tub. The living room at the other side leads to a downstairs double bedroom. There is a stairwell from the living room to the bedrooms upstairs where there are 3 double bedrooms, each are spacious and with fitted wardrobes, some are with airconditioning fitted. There is a bathroom upstairs which has been modernised with bath/shower, wc and vanity unit. This home offers ideal living space for all the family and is walking distance to all amenities (restaurants, supermarkets and bars) yet it is in a quiet residential space to enjoy the sea, the town and it is well connected to all areas of the coast. Highly recommended for viewing.
