It is a closed, modern and functional residential complex, an ideal place to live. The development consists of 46 homes with 2 and 3 bedrooms distributed in two separate blocks.

Many of these homes have spacious terraces and sea views, while the ground floors have large gardens where you can enjoy an environment surrounded by nature.

All homes have a garage and storage room, in a private urbanization with a communal pool, garden areas and chill out area.

We have taken care of every detail to turn this promotion into your future home. We offer attractive homes with an urban, exclusive and functional design that have been equipped with first-class qualities.
