

## 3 soverom Rekkehus til salgs i Alcaudete, Jaén

**38.000€**

Beautiful, traditional Spanish property in Alcaudete old town centre, a tasteful reform which maintains its original features. This property only needs some finishing touches and it is ready to go. As you enter this property, you have a large, bright living area with useful hidden storage spaces, following though to the next room is a lovely fitted kitchen, and then a smaller room that gives access to a lovely finished bathroom and a cute patio space. Going back into the property there is a discreet staircase placed between the kitchen and the living area. On the second floor, there's an open area with a good-sized room straight ahead with a view over the front. Going towards the back of the house, there is a second similar sized bedroom with a built in cupboard. Joining this room is a smaller room, possibly a third bedroom with spectacular views of Alcaudete Castle in the Jaen province of Andalusia, Spain. Being sold furnished for 38,000 euros this is an ideal ' Lock up and Go ' property in the warm sunshine of southern Spain.
