This beautiful cortijo is located just outside Vélez-Rubio.

Vélez-Rubio is a small town surrounded by olive groves, almond fields and wheat fields. In Vélez-Rubio we find absolutely everything, such as pharmacists, doctors, supermarkets, car washes, all kinds of shops, schools and many bars and restaurants.

Upon arrival at the site, we immediately see the Casa Rural sign hanging on the electric gate through which we enter the site.

When we look around upon arrival we are short of eyes. To our left we have a garden house with the casita next to it which is used as Casa Rural, for us the main house with the swimming pool next to it and to our right the tennis court, the petanque court and the outdoor bar with terrace. We also find many trees on the site that provide shade, making it wonderful to relax outside even on hot summer days.

In addition to the outdoor bar with terrace, we go down a few steps and arrive at the enclosed tennis court with the petanque court next to it. These are also wonderfully shaded so you can play tennis or a game of petanque at any time.
