Only just released to the market, this off-plan development of quality apartments is located close to the Valle Romano Golf Club House, in a tranquil location, but within a few minutes' drive from the popular town of Estepona.

This new 2 bedroom apartment is in a residential complex which will be one of a total of just 135 apartments. The kitchen will be spacious and will come fully equipped with low-consumption electrical furnishings and appliances and the interior design is of soft neutral colours. In the initial stages of construction, there will be the option of personalisation of the finishes, by the buyers, allowing an element of individuality to the properties.

The urbanisation will be fully gated, with landscaped gardens and communal spaces as well as a communal swimming pool and gymnasium, and will offer panoramic views across the golf to the sea.
