125.000€

A very attractive second floor apartment close to the vibrant centre of the pretty mountain village of Cómpeta. Parking is possible beside the apartment building but in reality one does not need a car as all local shops and amenities are within easy walking distance.

Entrance to the building is through a charming metal and glass doorway which opens onto the entrance foyer. On the second floor of the building the apartment is accessed via the wide marble staircase or by the lift. There are no apartments above. The accommodation comprises of an entrance hallway off which is the kitchen, a corridor continues to the spacious living room which has patio doors on two sides opening onto pretty Juliet balconies. The kitchen has plumbing and electric installation and a double glazed glass door opening onto a small terrace with charming brick archway. There are two double bedrooms, one with fitted wardrobes and an attractively tiled bathroom.

This property is large enough for permanent residence or would make an ideal holiday home. A wonderful opportunity to buy a comfortable apartment in a very convenient location which also has an excellent rental potential.
