

5 soverom Villa til salgs i Pinoso, Alicante

99.950€

Located a short distance outside the town of Pinoso, this property represents excellent value for money. It consists of a main house which offers a large lounge with fireplace, two good-sized double bedrooms, kitchen, and the main bathroom. Adjoining the property is a second property which is a traditional cave house - this has five distinct rooms which could be converted into at least three bedrooms, lounge area, kitchen area and it already has a shower room and utility area attached to it. To the front of the cave is a large open area which can either be used as off-street parking or you could add a large covered porch to enjoy those lazy summer days. Across the road there is a 90m² garage which is totally open plan and this would make a ideal workshop, or indeed could be converted into a self-contained two-bedroom apartment. Adjoining the garage area is piece of land which houses a swimming pool, small barbecue area, chicken coop as well as a tiny plot for planting your vegetables. It offers great views of the vineyards and orchards that surround the property. They are neighbours around the property but most of them all holiday or weekend homes used by the locals. Please note that there is a road between the two houses and the garage and swimming pool area - this is a quiet road which only serves to give access to your neighbour on the one side.
