Furthermore, storage will not be a problem in this kitchen, which has a large pantry at the end of it. From the kitchen there is access to the back terrace through a glazed door which brings in light and gives you the possibility to open up the kitchen and enjoy the terrace during family and friends gatherings.
There are three bedrooms in total in the property. The master bedroom has an ensuite bathroom with shower. The second bathroom, also with shower, is located next to the living room.
