

2 soverom Leilighet til salgs i Casares Playa, Málaga

159.700€

Nice apartment on the ground floor, with terrace. This house has a small hall where you can leave your keys or shoes. Then we have the independent kitchen equipped with all the electrical appliances so that you can prepare whatever you want in peace. We go to 2 large bedrooms with fitted wardrobes, and a full bathroom for greater comfort. We continue to the quite spacious living room with clarity since it receives sunlight. It also has a very large terrace where you can sunbathe, enjoy a barbecue, have a drink. It is located in an urbanization with a swimming pool, so you can bathe whenever you want, and also a 5-minute walk from the beach. It has supermarkets, a restaurant area, bars, a health center and other shops, all 5 minutes away. So you don't need a vehicle. You have a parking area on the same street as the urbanization, which makes access to the house much easier.
