

3 soveværelse Landsted til salg i Alhaurin de la Torre, Málaga

349.000€

A beautiful fully renovated finca in Alhaurin de la Torre near Lauro golf. The house is accessed via a narrow but easily accessible road. Several small terraces have been created on the plot, all with beautiful views over the valley. The same goes for the nicely landscaped terrace at the house, where you have enough space to barbecue and have drinks with a large party. Inside, you have a large open space where the kitchen and living room merge. The fully equipped kitchen is fully equipped. The house has 3 bedrooms and 2 bathrooms, 1 of which is ensuite. Each room has air conditioning and the living room has a wood-burning stove for those cold winter nights. There is also a large garage/storage under the house with a kitchenette and washing machine. So a good option to possibly create an extra guest house there. The house has no AFO, but is possible to obtain at the buyer's expense.
