

1 soverom Rekkehus til salgs i Torrox, Málaga

109.000€

This charming townhouse, nestled in the picturesque village of Torrox, offers an ideal combination of convenience and potential. Located less than a 10-minute walk from the town's main square and with free parking available just 100 meters away, it's perfect for easy access to amenities and unloading shopping.

Upon entering the townhouse, you step into a cozy dining room. Adjacent to this is the bedroom, offering a peaceful retreat. The compact kitchen is to the right of the dining area, with the potential to be expanded by removing a stud wall and extending into the dining room, creating a more spacious and modern cooking area.

Ascending a flight of stairs from the kitchen, you arrive at the expansive living room. Originally, this space housed a second bedroom, but it was opened up by the previous owners to create a larger, more comfortable living area. However, the room could easily be reconfigured to reinstate the second bedroom if desired.

Continuing up another set of stairs, you reach the top floor, where a fully equipped bathroom with a bathtub awaits. This floor also includes a practical storage/laundry room. The highlight of this level is the terrace, offering stunning views of the surrounding mountains and town. The terrace is partially shaded for privacy and presents an excellent opportunity for outdoor living. There is potential to add an outdoor kitchen here, and with the addition of a spiral staircase, you could create a second rooftop terrace.

The townhouse is equipped with a modern alarm system and was fully refurbished in 2020, ensuring it meets high standards. With its versatile layout and prime location, this property is an excellent opportunity for those looking to relocate to Torrox or invest in a rental property.
