360.000€

Located in the heart of Ciudad Quesada, this charming 5-bedroom, 2-bathroom villa sits on an expansive 800m<sup>2</sup> southeast-facing plot. The property boasts a private pool, a summer kitchen perfect for outdoor entertaining, and convenient off-road parking with a garage. Inside, the villa offers a generous living space with a large, bright living room, a separate dining area, and a fully equipped kitchen. All five bedrooms are located on a single level, with three spacious double bedrooms and two cozy single bedrooms, along with a family bathroom. From the dining area, you'll find access to the solarium, where stunning views of the salt lakes provide a serene backdrop.
