

земля продается в Javea, Alicante

475.000€

Beautiful building plot of over 1700m² for sale in Javea, located in a unique location bordering the national park and with beautiful sea views. The center of Javea is easily accessible and is only 1.3 km away. The building plot is south-oriented and a building license is included in the sales price, so you can start building a villa immediately. The building land is equipped with all the necessary facilities such as: asphalted roads, water, electricity, footpaths and street lighting.
