549.000€

These new build town houses with private swimming pools are located just a short walk from the beaches of the Mar Menor in Santiago de la Ribera. Inside, the homes feature a bright living room with sliding doors leading to the outdoor area, a fully equipped kitchen with white goods, two spacious bedrooms, and two bathrooms, including an en-suite in the master bedroom. Outside, you'll find a private garden, swimming pool, and a roof solarium. The property also features off-road parking, external sound speakers, a summer kitchen, and is sold with white goods included. The development is just 850 meters from the beach, close to the promenade, restaurants, tapas bars, and the marina. Santiago de la Ribera offers a range of water sports and golf courses, and the area enjoys Mediterranean sunshine year-round. It is 40 minutes from Alicante Airport and 1 hour from Murcia-Corvera Airport
