Among its communal areas, the communal pool and the garden areas stand out to enjoy the warmest months.

1 and 2 bedroom homes
Panoramic views of the sea and the La Concepción Reservoir
Surrounded by spectacular natural surroundings.

Location and surroundings

New development promotion in Istán

Culmia Blue Views Istán is located in the Cerros del Lago urbanization in the Sierra de las Nieves, a Biosphere Reserve, a place surrounded by mountains and the La Concepción Reservoir.

It is a perfect place to practice different types of sports, from water sports to golf at the Aloha Golf Club or tennis at the Manolo Santana Tennis Club, just a few minutes from the development.

Istán is perfectly connected thanks to the A-7176 road and the AP-7 motorway, which connect it with Marbella.
