

3 soverom Grottehuset til salgs i Santa Eulalia, Jaén

2.800.000€

On a plot of almost 900 m² at the entrance to the urbanization, this private villa of 315 m² of living space offers breathtaking views of the mountains and a breathtaking sunset half of the year.

Currently, it provides three suites of 25 m² with a dressing room, high ceilings and the possibility of adding a fourth bedroom.

The house is totally healthy, it contains high quality materials like A/C, underfloor heating, hot water tank, swimming pool motor, outdoor stone kitchen which are all perfectly maintained.

Ideal for a family, this house will allow everyone to have their own private space, while coming together to enjoy peaceful and warm moments.

Roca Llixa is one of the few urban areas on the island that offers 24/7 security service.
