

## Land til salgs i Estepona, Málaga

220.000€

Located on an elevated frontline golf position, this building plot comes complete with a confirmed license and architect plans for a contemporary villa, with panoramic views of the golf course and the stunning Estepona mountain.

This area is one of very active investment, by a number of developers offering contemporary villa, townhouse and apartment developments and will also benefit from a selection of additional recreational amenities, in addition to the crystal lagoon already in place.

This is an opportunity to purchase a plot with great views, in an area of increasing investment, with potential for residential living or rental investment.
